UI/UX Design

for Mobile App

A mobile app login screen mockup. The screen has an orange header bar with the text "Get Started". Below the header, there is a light gray background area. At the top of this area, the text "NetID@utdallas.edu" is displayed above a horizontal line. Below this, the text "Password" is displayed above another horizontal line. To the right of the password field is an eye icon. Below the password field is a large, rounded, dark green button with the text "Comet Authentication". Below this button, the text "Not a registered user?" is displayed. At the bottom of the light gray area is another large, rounded, dark green button with the text "Sign up". The screen has an orange status bar at the top with icons for 4G, a battery level, and the time "12:25". At the bottom of the screen is an orange navigation bar with three white icons: a triangle, a circle, and a square.
